### Our Values

Equity, social justice, honesty, professionalism, inclusive participation and accountability.

### Our Statement of Quality

- To ensure that our staff, processes and procedures adhere to the highest quality standards;
- To ensure that we continuously improve our training and consultancy services by learning and benchmarking against internationally tested best practices.

“We are committed to meeting our clients’ individual and corporate expectations through responsive training services”

## 2020 Quarterly Course **Schedule**

“We envisage to have an increased capacity of humanitarian and development actors for sustainable service delivery”

**IPHDC exists to enable development and humanitarian actors to improve their performance in relation to their vision, mission, objectives and context.**

We do this through provision of relevant and appropriate technical support to agencies that ultimately ensures responsive interventions among the target communities and stakeholders.

In order to achieve this objective, we have planned to conduct a number of standard short courses on a quarterly basis to be held at CORAT Africa in Karen, Nairobi.

See map of the venue at the end of this programme.
