About IPHDC

IPHDC is an international training and consulting firm that seeks to empower humanitarian and development actors to achieve desired results in their work. We are committed to the empowerment of individuals and organizations through provision of professional consultancy services together with standard and tailor-made trainings.

Our services are provided by a team of experienced professionals including researchers, public health experts, gender experts, development experts, management and institutional development experts and a core group of IPHDC staff who provide technical and administrative support. Our consultants have a wealth of experience in their respective areas of work and have obtained their education from internationally reputed institutions.

Hygiene and Sanitation Promotion in Emergency Contexts

Course Objectives

- To build the capacity of trainees to impart knowledge to communities in emergency situations on prevention of diarrhoeal diseases and other WASH-related diseases.
- To equip trainees with practical skills for planning, monitoring and evaluation of hygiene and sanitation promotion activities in emergency contexts.
- To introduce trainees to key WASH standards and monitoring indicators in emergencies (e.g. SPHERE).
- To equip trainees with community mobilization skills for hygiene promotion.

Course Content

- Introduction to hygiene and sanitation promotion in emergency settings.
- SPHERE standards for hygiene and sanitation promotion in emergency contexts.
- Planning, implementation, monitoring and evaluation of hygiene and sanitation promotion interventions in emergencies.
- Tools and methodologies for hygiene promotion in emergency contexts.

Target group

UN, Government and NGO staff including project managers and officers.
