### Testimonials from second quarter of 2020

"The training has significantly improved my skills and enhanced my knowledge about the WASH in Community, both in hardware and software.

Through the content of the course and the experiences of the trainer, I have learnt a lot and mostly that has led me to a higher level of expertise that I will surely apply on our program activities. Therefore, I really recommend it to young professionals like me."

**Salohy Andrianantoandro,**  
WASH Officer, United Nations  
Volunteers, Fort-Dauphin/  
Madagascar

"All my expectations have been met. I will apply my newly acquired research skills and knowledge in conducting KAP surveys and assessments in various projects."

**Reza Omid**  
Monitoring Officer  
Caritas Germany  
Afghanistan

"After participating in the online QCRM-course, for me quality is guaranteed by the trainers.

Questions are always comprehensively answered. The sessions are really interactive and inspiring. The training is more than value for money."
