## ABOUT IPHDC

**IDEAL Public Health & Development Consultancy (IPHDC)** is an international firm specialising in public health promotion and program management for both emergency and development contexts. Its core activities are geared towards building capacities, skills and competence for the critical analysis of thematic issues and subsequently, designing evidence-based interventions, resource mobilization and implementing sustainable development programs.

Since its inception in June 2011, the lead consultants in the firm have provided unmatched consultancy services to several NGOs among them being ACORD Mali, Polish Humanitarian Action (PAH), Oxfam GB – South Sudan, ACF Somalia, Medair South Sudan, Care International, Goal Ireland, Save the Children Alliance, Norwegian People's Aid (NPA), Norwegian Refugee Council (NRC), ACF Somalia, Concern Worldwide, International Rescue Committee (IRC), HIJRA, Islamic Relief (Somalia and Tunisia), Polish Humanitarian Action (PAH), CAFOD and Solidarity Islamic France.

### ***Our mission***

*To enhance the capacity of development and humanitarian actors to achieve their vision, mission and objectives.*

### ***Our vision***

*To be a leading international consulting firm providing specialized services to our clients in a professional, innovative and inclusive manner.*

### ***Our values***

*Equity, social justice, honesty, professionalism, inclusive participation and accountability.*

### ***Our culture***

*Promoting Innovative, Demand-driven, Effective, Appropriate and Long-lasting (IDEAL) solutions to development and emergency problems.*

### ***Our statement of quality***

*To ensure that our staff, processes and procedures adhere to the highest quality standards;*

*To ensure that we continuously improve our training and consultancy services by learning and benchmarking against internationally tested best practices.*

## OUR SERVICES

IPHDC provides technical consultancy services to humanitarian and development organizations and their partners with the aim of sharing its skills and experiences in enhancing institutional capacity for promoting public health, improving program management and main streaming key cross-cutting issues. We provide the following specific services:

- Participatory approaches for health education like PHAST, CLTS, CHAST and PHASE;
- Conducting formative research, assessments and KAP surveys;
- Proposal writing, programme design & development;
- Project Cycle Management for both emergency and development interventions;
- Programme/project Monitoring and Evaluation;
- Main streaming HIV/AIDS;
- Sexual and Reproductive Health( SRH);
- Occupational Safety and Health (OSH);
- Food Security and Nutrition management;
- WASH programming for communities and institutions;
- Disaster Risk Reduction and Climate Change Adaptation (DRR&CCA);
- Gender main streaming;
- Environmental Audit and Impact Assessment (EA&EIA);
- Developing information, education and communication (IEC) materials including video documentaries and training materials on topical issues.
