About IPHDC

IPHDC is a training and consulting firm that seeks to empower humanitarian and development actors to deliver desired results in their work. We are committed to the empowerment of individuals and organizations through provision of professional consultancy services together with standard and tailor-made trainings.

Our services are provided by a team of experienced professionals including researchers, public health experts, gender experts, development experts, management and institutional development experts and a core group of IPHDC staff who provide technical and administrative support. Our consultants have a wealth of experience in their respective areas of work and have obtained their education from internationally reputed institutions.

Sustainable WASH in Communities (WinC)

Course objective

- To equip participants with knowledge and skills on sustainable management of WASH interventions in communities.

Course content

- Introduction to WASH in Communities (WinC);
- Sustainable community water supply systems;
- Sustainable community sanitation facilities;
