Our thematic Areas: Public Health Promotion, Program Management and Cross-cutting issues

IDEAL Public Health & Development Consultancy (IPHDC) is an international firm specializing in public health promotion and program management for both emergency and development contexts.

Its core activities are geared towards building capacities, skills and competence for the critical analysis of thematic issues and subsequently, designing evidence-based interventions, resource mobilization and implementing sustainable development programs.

Since our inception in June 2011, our lead consultants have provided unmatched consultancy services to several INGOs among them being ACORD Mali, Polish Humanitarian Action (PAH), Oxfam GB – South Sudan, ACF Somalia, Medair South Sudan, Care International, Goal Ireland, Save the Children, Norwegian People's Aid (NPA), Norwegian Refugee Council (NRC), ACF Somalia, Concern Worldwide, International Rescue Committee (IRC), HIJRA, Islamic Relief (Somalia and Tunisia), Polish Humanitarian Action (PAH), CAFOD and Solidarity Islamic France among others.

Our mission

To enhance the capacity of development and humanitarian actors to achieve their vision, mission and objectives.

Our vision

To be a leading international consulting firm providing specialized services to our clients in a professional, innovative and inclusive manner.

Our values

Equity, social justice, honesty, professionalism, inclusive participation and accountability.

Our culture

Promoting Innovative, Demand-driven, Effective, Appropriate and Long-lasting (IDEAL) solutions to development and emergency problems.

Our statement of quality

- a) To ensure that our staff, processes and procedures adhere to the highest quality standards;
- b) To ensure that we continuously improve our training and consultancy services by learning and benchmarking against internationally tested best practices.

Training with us ensures quality service delivery and career growth

Our services

IPHDC provides technical consultancy services to humanitarian and development organizations and their partners with the aim of sharing its skills and experiences in enhancing institutional capacity for promoting public health, improving program management and mainstreaming key cross-cutting issues.

We provide the following specific services:

- Participatory approaches for health education like PHAST, CLTS, CHAST and PHASE;
- Conducting research, assessments and surveys;
- Proposal writing, programme design and development;
- Project Cycle Management for both emergency and development interventions;
- Programme/project Monitoring, Evaluation, Accountability and Learning;
- Mainstreaming HIV/AIDS;
- Sexual and Reproductive Health (SRH);
- Occupational Safety and Health (OSH);
- Food Security and Nutrition management;
- WASH programming for communities and institutions;
- Disaster Risk Reduction and Climate Change Adaptation (DRR&CCA);
- Gender and disability mainstreaming;
- Environmental Audit and Impact Assessment (EA&EIA);
- Developing information, education and communication (IEC) materials including video documentaries and training materials on topical issues.
